

PlayMounds constructed from durable, long lasting closed cell EPP (Expanded Polypropylene) these mounds are engineered to last. PlayMounds create a fun, safe environment for kids to play and exercise.

Funserts™ by ForeverLawn® are graphic turf designs that can be inserted into any Playground Grass installation. These playful additions are made from multicolored synthetic grass, providing a uniform surface while also adding excitement and fun to playground designs.

Playground Grass Ultra uses lightly-textured polyethylene blades with a textured nylon thatch zone to create a full, dense, and safe product with AlphaSan® antimicrobial and XStatic™ antistatic technology that is manufactured into the blades.

Purposeful and Playful:

- Professionally designed play areas that can easily be incorporated into an exciting play area or facility plan.
- Engaging designs ensure kids keep moving, playing, and learning.
- Vibrant colorful play surfaces are proven to attract a child's attention and enhance their play experience.
- Durable Playground Grass by ForeverLawn is engineered to remain bright and full of color.
- Synthetic turf is an ADA compliant play surface that is preferred by many playground designers and planners.
- Playground Grass offers a clean and easy-to-maintain surface.
- Ideal for both preschool and elementary school environments.

This is what kids were meant to play on!

Play Spaces: Galaxy

Trike Path: Cosmic Voyage

Explore the Milky Way and beyond, with this space-themed trike path and play space. Children learn navigation and exercise as they ride around the trike path that encircles the red, gold, and orange planets. Install this trike path and your play times will achieve liftoff.

- 40' x 30'
- 2 planet mounds
- 1 - 10 numbered colorful star Funserts™
- White Milky Way trike path

Trike Path: Lily Lane

Kids will love this nature-themed play space that is accessible to everyone. What appears to be a serene pond at first can be a stepping stone to exciting, transformative play that allows children to explore and learn about nature. The gently contoured play surface is easily traversed by children of any age, and the various graphics provide for imaginative games. A trike path around the pond makes for an exciting way for kids to exercise, while expanding their spatial awareness.

- 40' x 30'
- Slide and tunnel mounds
- 1 - 10 numbered lily-pad Funserts™
- Green trike path with boat dock

Play Field: Fun-n-Games

Explore with imaginative play spaces

Play Spaces: Galaxy

Ignite a passion for astronomy and exploration with this cosmic play space. The wide array of colorful planets and mounds encourage free play, imagination, and encourages kids to start thinking beyond what they see in everyday life. When you install this play space, you're on a mission to fun.

- 40' x 26'
- 5 planet mounds
- 1 - 10 numbered colorful star Funserts™

Play Spaces: Adventure Island

Adventure awaits, with this exciting, island-themed play space! Kids can learn about ocean life, learn to count as they jump from life preserver to life preserver, or even roleplay as pirates on this exciting surface with rolling wave mounds. Golden beaches on either side of the blue "water" make great safe zones in games of tag or capture the flag. Let this Play Island be your oasis of fun.

- 40' x 30'
- Island mound with palm tree and slide
- 3 wave mounds
- 1 - 10 numbered bubble graphics
- Aquatic animal Funserts™
